*"I believe that the universe mirrors each of us in a unique way". My goal as an artist is to interpret that phenomenon, and my art is a multi-dimensional reflection of life and the way I perceive the world". Mr. Miller graduated Magna Cum Laude with a B.S. from the University of North Texas. In October of 2004, he founded the "Reflectionists", a group of artists whose work mirrors the positive power of life and of the universe.*

**JUROR: Barbara Frey**  
**Ceramics, Sculpture**

*"I look for an effective fusion of concept, material choice, and personal vision". Successful work must demonstrate technical proficiency in the selected medium / materials, an effective structuring of the visual experience through design and composition, and a convincing, individual voice. Ms. Frey teaches all levels of ceramics at Texas A&M University-Commerce where she is currently a Professor of Art.*
